

Wedco

SPECIALTY PRODUCTS

FEATURES & BENEFITS

Now you can drain oil or antifreeze, cleanly and efficiently and help protect the environment. Wedco offers a full range of drain pans and recycling containers, specifically designed for oils or antifreeze, made from rugged, recycled polyethylene.

WEDCOTAINER®

- Recycling drain pans
- 2 sizes, 7qt/6L & 12.5qt/12L
- Fits under even the lowest cars
- Easy-clean, extra large funnel screws into the neck during use, snaps into cavity for storage

WEDCOPAN®

- Utility drain pans
- Large capacity, 16qt/15L
- 90° pouring spout, splash guards and handles
- Black for oil, green for antifreeze, prevents contamination
